EASTERN
PEOPLE****Are in Marion County and
Some Are Buying
Homes**

Salem is at present quite over-run with new comers from different sections of the East. It is safe to say that there are fifty families in our midst who have recently come in on the low rate excursions, and most of them are busy looking about for new homes. Many are renting and few are buying. This is probably as it should be for while Salem and Oregon people would like to have all these good people buy farms and homes, it is only natural that they should take their time to look about. This does not bring about boom conditions, and real estate more nearly holds its proper value. Owners of property are not inclined to jump up prices, when purchasers are normal, as they would be if things were more on the boom order. This again is a good condition and will result in a better state of affairs for our community than the other extreme. Real estate dealers might wish to have it a little different, but they, like everyone else must bide their time, and when purchasers are made deliberately, the new settlers will be better satisfied than if they rushed in unprepared. These good people are learning from day to day that Western Oregon is the best country out of doors, and as this fact becomes more apparent to them, they are bound to settle here and be pleased and prosperous residents.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and, unless the inflammation can be taken out, and this tube restored to its natural condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for Circulars free. F. J. CHENEY, & CO., Toledo, O.

Baseball Talk.

The Roseburg Review, in speaking of the baseball situation in the two southern teams during the past week, says:

Eugene had become dissatisfied with the work of Catcher White, and released him. Manager Morrow came to the conclusion about the same time that it was for the best interest of his team to let Catcher Oswill go, and so he suited the action to his conviction. Thereupon Eugene immediately signed Oswill for their regular mainstay behind the bat, and White was again taken back into the arms of his old love to again take care of the receiving end of the battery position. But this was not all. Eugene had cast covetous eyes on Wm. Oswill, center fielder of the "Shamrocks," and upon putting up some of the long article of the color of Shamrock, they secured him. The change had a demoralizing effect on the crack fielder, for every-time he faced Bilyeu in Sunday's game he struck out. Catcher Oswill did not play on account of an injury. White caught for Roseburg on Sunday. He is not a permanent fixture there, however, as Morrow has a new catcher en route to join the team. White is a fine outfielder, and will be used as such if he can recover the batting form which he displayed at the beginning of the season.

Baby Costs Too Much

When the price paid is the mother's health and happiness. The father doesn't realize as he romps with the child what years of wifely suffering must be set against the baby's laughter. Chronic invalidism is a high price to pay for the painful joy of maternity, yet it is at such a cost that many a woman becomes a mother. Such a price is too much because it is more than nature asks. By the use of Dr. Pierce's Favorite Prescription maternity is made practically painless, and a quick convalescence is assured in almost every case.

\$500 Reward for Women Who Cannot be Cured.

The proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Prolapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

"There are thousands of sick women dragging out a weary, miserable existence, who would be well and happy did they but have my experience with Dr. Pierce's Favorite Prescription," writes Mrs. Anna Leonard, Lady Commander Star of Bethlehem, Lodge No. 27, of 106 Jackson Street, Atlanta, Ga. "Four years ago I was nearly dead with inflammation and ulceration. I endured daily untold agony, and life was a burden to me. I had used medicines internally and externally until I had made up my mind that there was no relief in sight for me. A friend of mine endorsed your 'Favorite Prescription,' and I determined then to give it a trial. It took patience and perseverance for I was in a bad condition, and had to use your medicine for nearly four months before I was cured, but what a change it brought! From despair to happiness, from misery to the delightful, exhilarating feeling that only health brings. I would not change back for a thousand dollars. Your 'Favorite Prescription' is a grand medicine. I wish every sick woman would only try it and be convinced."

Dr. Pierce's Favorite Prescription contains no alcohol and is entirely free from opium, cocaine and all other narcotics. The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is your loss; therefore, accept no substitute. Dr. Pierce's Bellets regulate the bowels.
